README: SNAP-PAC-SRA Arbiter Firmware, R9.1e

March 8, 2022

This readme provides release information about the SNAP-PAC-SRA arbiter.

KB numbers: A number with the prefix "KB" next to an item in this readme, such as KB49909, refers to a Knowledge Base article published by Opto 22. A KB article provides additional information about a feature or bug. To find a particular KB article, go to the Opto 22 website, http://www.opto22.com, and enter the KB number in the search engine.

NOTE: If a referenced KB article has a hyperlink, you can click on it and go directly to the article. However, if a number has does not have "KB" as the prefix, an article was not available when this readme was published.

Version R9.1e
March 8, 2022
