

SNAP PAC RACKS—ASSEMBLY AND INSTALLATION

You can mount the SNAP PAC rack on a DIN rail or panel.

For DIN-rail clips and all assembly instructions

1. Go to opto22.com and enter 1684 in the search box.
2. Open the Documents tab and look for [Form 1684, SNAP PAC Racks Data Sheet](#).
3. Click on the [1684](#) or [SNAP PAC Racks Data Sheet](#).
4. Click [Download](#) to view the data sheet for assembly instructions.

- Email: support@opto22.com

Suggestions for easy wiring

- Use the **SNAP-STRAPB** to make jumper connections on a 4-channel SNAP digital I/O module or the **SNAP-STRAP-OMR** for SNAP-OMR6 modules.
- Connect SNAP-STRAPs on multiple modules with the **SNAP-WIRESTRAPB**.
