

STATEMENT OF COMPLIANCE – EPA TSCA

April 28, 2022

On January 6, 2021, the U.S. Environmental Protection Agency (EPA) published final rules prohibiting the processing and distribution of five Persistent, Bio accumulative, and Toxic (PBT) chemicals:

- Decabromodiphenyl ether (DecaBDE)
- Phenol, isopropylated phosphate (3:1) (PIP (3:1))
- 2,4,6-tris(tert-butyl) phenol (2,4,6-TTBP)
- Hexachlorobutadiene (HCBD)
- Pentachlorothiophenol (PCT)

We are pleased to confirm that we are compliant with the EPA TSCA list established on Jan 6, 2021.

Mark Engman,

Chief Operating Officer, Opto 22
